Utah Case Management is a case management agency designed to help manage the care of clients enrolled in the Utah Medicaid New Choices Waiver Program.

UTAH CASE MANAGEMENT . . . WE'LL MAKE IT RIGHT

Utah Case Management specializes in working with clients and their families to enable individuals to successfully participate in a community environment. As a case management team we help to provide services to ensure the health and safety of our clients.

Case Management is designed to provide clients with assistance in locating, accessing, coordinating,

and monitoring needed services and supports. Services are individualized and available through the New Choices Waiver.

Utah Case Management is available throughout most of the state of Utah. We have qualified and licensed social workers and registered nurses from Washington County to Weber County. We answer your

questions, provide you with information about your options for help, talk with your family members, and provide assistance with service referrals.

It is our mission to enhance the lives of individuals on the New Choices Waiver program by providing services and supports that enable them to live and participate in their communities.

The New Choices Waiver Program is a Utah Medicaid program designed to serve people who have been residing in a long term care facility return to home or a community based setting, such as their own home, an assisted living facility, or other community based setting
